West Mobile Marlins

Welcome West Mobile Marlins.

We are so excited about the upcoming 2009/2010 season. We are offering this catalog to our team and parents. In the catalog, all of these items will be customized for our team. If you have any

questions about any of the items, please email Niki May at nikimay@bellsouth.net or Donna Grace at donnakgrace@mchsi.com.

On the clothing orders, if we have enough people order the same item, so we can get the price break, I will be more than happy to place another order. Please email Donna or myself and let us know what you want. Otherwise, we will try to order items again in January if we have some interest from the parents. We have to order in quantities of 12 or more to get better pricing. If you missed this go around with ordering, be sure to be on the lookout in January 2010.
